As a result all Air Force forms, which includes our Hill AFB (OO-ALC) forms, are being converted to the new PureEdge Solution and the FormFlow designed forms as we know them will be phased out.

The following Hill AFB IMT is released for use and is hosted along side the FormFlow form on the Hill AFB eForms/IMTs web site.

Approximately 60-days from the release of the IMT versions the FormFlow versions will automatically be removed from the web site making the IMT versions the only authorized versions to be used.
